SPECIAL LIBRARIES INDEX

Volume 86 January-December 1995

Alphabetization is letter by letter.
References to persons as subject
are indicated by "*about*"
following the name.

A

Abels, Eileen G.
Measuring service quality in special libraries: lessons from service marketing (M.D. White, E.G. Abels), 36-45

Allen, Robert S.
The magnitude of conference proceedings published in physics journals, 136-144

Analyzing benefits and costs
see Horton, Forest Woody, Jr.

Appel, Linda
Solo Librarians Division, 240

Architectural libraries
Architectural and design firm libraries: a survey (J.M. Shaw), 152-163

Ashland Chemical Company
Three years experience with fee-based services in a corporate library (P. Ratliff, T.J. Weeks), 21-27

Astronomy
Library and Information Services in Astronomy II provides wealth of practical information (U. Grothkopf), 304-307

B

Bank of Montréal Libraries
Why corporate librarians must reengineer the library for the new information age (S.E.A. Piggott), 11-20

Bell-Russel, Danna C.
Review of *Preserving library materials*, 244

Bender, David R.
1995 state-of-the-association address, 216-221

Bibliographies
Resources for special library collection development in educational advising (E.A. Riedinger), 272-278

Biggs, Bonnie
Sovereignty, collaboration and continuing challenge: a history of tribal libraries in San Diego County (B. Biggs, D. Whitehorse), 279-291

Bleakley, Karen
Information Technology Division, 231

Book reviews
Analyzing benefits and costs (F.W. Horton), 299-300
Collection development and finance (M.S. Martin), 300
CompuServe companion (G.S. and Ruth M. Orenstein), 77-78
International business information (R.A. Pagell, M. Halperin), 78-79
The Internet library (J. Still), 79-80
The Internet troubleshooter (N.R. John, E.J. Valauskas), 151
Legislative reference services and sources (K. Low), 241-242
Librarians on the Internet (R. Kinder), 150-151
Preserving library materials (S.G. Swartzburg), 244
Serials control systems for libraries (T. Davis, J. Huesmann), 149-150
Silicon snake oil (C. Stoll), 242
Staff management in library and information work (P. Jordan), 243

Boston
Boston beckons: the Special Libraries Association 87th Annual Conference (K.M. Liss), 301-303

Budgeting
Review of *Collection development and finance*, 300

Business information
Review of *International business information*, 78-79

C

Carabell, Janet
Toward better information service: diagnosing information needs (R. Grover, J. Carabell), 1-10
Charkes, Susan
Information technology: beyond the toolbox, 265-271
Chemical libraries
Three years experience with fee-based services in a corporate library (P. Ratliff, T.J. Weeks), 21-27
Chitty, Mary
Review of *Legislative reference services and sources*, 241-242
Clark, Wendy
Review of *The Internet troubleshooter*, 151
Clement, Elaine
Geography & Map Division, 230-231
Cohen, Laura Berner
Synagogue libraries: making it on their own, 91-109
Collection development
Resources for special library collection development in educational advising (E.A. Riedinger), 272-278
Review of *Collection development and finance*, 300
Collection development and finance
see Martin, Murray S.
CompuServe (online service)
Review of *CompuServe companion*, 77-78
CompuServe companion
see Orenstein, Glenn S.
Conference proceedings
The magnitude of conference proceedings published in physics journals (R.S. Allen), 136-144
Conferences
Association insights: planning a regional conference (E. Mimnaugh), 66-72
Copyright
Interpreters as well as gatherers: the librarian of tomorrow...today (P.J. Hunt), 195-204
Corporate libraries
Three years experience with fee-based services in a corporate library (P. Ratliff, T.J. Weeks), 21-27
The user pays: cost billing in a company library (A.J. te Grotenhuis, S.J. Heijnekamp), 110-115
Why corporate librarians must reengineer the library for the new information age (S.E.A. Piggott), 11-20
Cost effectiveness
Review of *Analyzing benefits and costs*, 299-300
Cundari, Leigh
Enhancing library services: an exploration in meeting customer needs through Total Quality Management (L. Cundari, K. Stutz), 188-194

D

Davis, Bonnie D.
Military Librarians Division, 235-236
Davis, Trish
Serials control systems for libraries (reviewed by L.M. Golian), 149-150
Devereux Foundation Professional Library
Enhancing library services: an exploration in meeting customer needs through Total Quality Management (L. Cundari, K. Stutz), 188-194
Diagnosis
Toward better information service: diagnosing information needs (R. Grover, J. Carabell), 1-10
Dimitroff, Alexandra
Research for special libraries: a quantitative analysis of the literature, 256-264
Dinerman, Gloria
A very special library (G. Dinerman, C. Hudock), 164-171
Dynix Marquis Online Public Access Catalog
Graphical user interfaces and library systems: end-user reactions (M.J. Zorn, L. Marshall), 28-35
Dysart, Jane I.
Inaugural address, 212-215

E

Educational counseling
Resources for special library collection development in educational advising (E.A. Riedinger), 272-278
Etter, Zana C.
Impact of curriculum revision on media collection, 83-89

F

Fee-based information services
Three years experience with fee-based services in a corporate library (P. Ratliff, T.J. Weeks), 21-27
The user pays: cost billing in a company library (A.J. te Grotenhuis, S.J. Heijnekamp), 110-115
Feinberg, David
Review of *International business information*, 78-79
Fisher, William
Special libraries: the origins of power and the susceptibilities to powerlessness (A.J. Head, W. Fisher), 125-133
Fleury, Mary Ellen
Petroleum & Energy Resources Division, 236-238

G

Gibson, Robert, Jr.
Retired Members Caucus, 238
Golian, Linda Marie
Review of *Serials control systems for libraries*, 149-150
Government information
Review of *Legislative reference services and sources*, 241-242
Graphical user interfaces (computer systems)
Graphical user interfaces and library systems: end-user reactions (M.J. Zorn, L. Marshall), 28-35
Great Lakes Regional Conference II
Association insights: planning a regional conference (E. Mimnaugh), 66-72
Grotenhuis, Albert J. te
The user pays: cost billing in a company library (A.J. te Grotenhuis, S.J. Heijnekamp), 110-115
Grothkopf, Uta
Library and Information Services in Astronomy II provides wealth of practical information, 304-307
Grover, Robert
Toward better information service: diagnosing information needs (R. Grover, J. Carabell), 1-10
Guthrie, Melinda
Review of *Staff management in library and information work*, 243

H

Haley, Roger K.
about
1995/96 candidates for SLA office, 46-47
Halperin, Michael
International business information (reviewed by D. Feinberg), 78-79
Hatfield, Mona
News Division, 236
Head, Alison J.
Special libraries: the origins of power and the susceptibilities to powerlessness (A.J. Head, W. Fisher), 125-133
Health sciences libraries
Impact of curriculum revision on media collection (Z.C. Etter), 83-89
Heijnekamp, Selma J.
The user pays: cost billing in a company library (A.J. te Grotenhuis, S.J. Heijnekamp), 110-115
Hemphill, Lia S.
Review of *Collection development and finance*, 300
Horton, Forest Woody, Jr.
Analyzing benefits and costs (reviewed by A.S. Warner), 299-300
Hubbard, Bruce A.
about
1995/96 candidates for SLA office, 54
Huber, Charles
Chemistry Division, 225-227
Hudock, Constance
A very special library (G. Dinerman, C. Hudock), 164-171
Huesmann, James
Serials control systems for libraries (reviewed by L.M. Golian), 149-150
Hunt, Patrick J.
Interpreters as well as gatherers: the librarian of tomorrow...today, 195-204

I

Industrial designers
Architectural and design firm libraries: a survey (J.M. Shaw), 152-163
Information needs
Toward better information service: diagnosing information needs (R. Grover, J. Carabell), 1-10
Information services
Review of *Analyzing benefits and costs*, 299-300
Information sources
Resources for special library collection development in educational advising (E.A. Riedinger), 272-278
Information technology
Information technology: beyond the toolbox (S. Charkes), 265-271
Review of *Silicon snake oil*, 242
Why corporate librarians must reengineer the library for the new information age (S.E.A. Piggott), 11-20
International business information
see Pagell, Ruth A.
International conferences
Library and Information Services in Astronomy II provides wealth of practical information (U. Grothkopf), 304-307
International Federation of Library Associations and Institutions
IFLA 1994: libraries and social development (D. McGarry), 58-65
International information
Review of *International business information*, 78-79

INTERNET (computer network)
Review of *The Internet library*, 79-80
Review of *The Internet troubleshooter*, 151
Review of *Librarians on the Internet*, 150-151
The Internet library
see Still, Julie
The Internet troubleshooter
see John, Nancy R.

J

John, Nancy R.
The Internet troubleshooter (reviewed by W. Clark), 151
Jordan, Peter
Staff management in library and information work (reviewed by M. Guthrie), 243

K

Kaneshiro, Kellie N.
Review of *Librarians on the Internet*, 150-151
Keiser, Barbara
Review of *The Internet library*, 79-80
Kelly, Claire
An invitation to Montréal, 145-147
KEMA Library
The user pays: cost billing in a company library (A.J. te Grotenhuis, S.J. Heijnekamp), 110-115
Keyes, Alison M.
The value of the special library: review and analysis, 172-187
Kinder, R.
Librarians on the Internet (reviewed by K.N. Kaneshiro), 150-151
Klopper, Susan
Business & Finance Division, 225
Kolakowski, Michael
Social Sciences Division, 239-240

L

Legislative reference services and sources
see Low, Kathleen
Librarians on the Internet
see Kinder, R.
Library and Information Services in Astronomy II (1995)
Library and Information Services in Astronomy II provides wealth of practical information (U. Grothkopf), 304-307
Library Co-op
A very special library (G. Dinerman, C. Hudock), 164-171
Liss, Kenneth M.
Boston beckons: the Special Libraries Association 87th Annual Conference, 301-303
Low, Kathleen
Legislative reference services and sources (reviewed by M. Chitty), 241-242

M

McClusky, Duncan
Environment & Resource Management Division, 228-229
McGarry, Dorothy
IFLA 1994: libraries and social development, 58-65
about
1995/96 candidates for SLA office, 51-52
McKay, Sharon Cline
about
1995/96 candidates for SLA office, 55
Management
Review of *Staff management in library and information work*, 243
Marshall, Lucy
Graphical user interfaces and library systems: end-user reactions (M.J. Zorn, L. Marshall), 28-35
Martin, Murray S.
Collection development and finance (reviewed by L.S. Hemphill), 300
Mentally handicapped
A very special library (G. Dinerman, C. Hudock), 164-171
Mimnaugh, Ellen
Association insights: planning a regional conference, 66-72
about
1995/96 candidates for SLA office, 56
Montréal
An invitation to Montréal (C. Kelly), 145-147
The power of information, 73-76
Moon, Dottie
Aerospace Division, 224
Moore, Deirdre
An invitation to Montréal (C. Kelly), 147
Multimedia libraries
Impact of curriculum revision on media collection (Z.C. Etter), 83-89
A very special library (G. Dinerman, C. Hudock), 164-171

N

Native American libraries
Sovereignty, collaboration and continuing challenge: a history of tribal libraries in San Diego County (B. Biggs, D. Whitehorse), 279-291
Networks
Impact of curriculum revision on media collection (Z.C. Etter), 83-89
Newman, Wilda B.
about
1995/96 candidates for SLA office, 53-54
Newspapers
Review of *CompuServe companion*, 77-78

O

Online catalogs
Graphical user interfaces and library systems: end-user reactions (M.J. Zorn, L. Marshall), 28-35
Orenstein, Glenn S.
CompuServe companion (reviewed by J. Williams), 77-78

P

Pagell, Ruth A.
International business information (reviewed by D. Feinberg), 78-79
Pancake, Didi
President's report, 211-212
Parke-Davis Pharmaceutical Research Libraries
Graphical user interfaces and library systems: end-user reactions (M.J. Zorn, L. Marshall), 28-35
Periodicals
The magnitude of conference proceedings published in physics journals (R.S. Allen), 136-144
Review of *CompuServe companion*, 77-78
Review of *Serials control systems for libraries*, 149-150
Personnel
Review of *Staff management in library and information work*, 243
Peterson, Julia C.
about
1995/96 candidates for SLA office, 67
Physics journals
The magnitude of conference proceedings published in physics journals (R.S. Allen), 136-144
Piggott, Sylvia E. A.
Library Management Division, 234-235
Why corporate librarians must reengineer the library for the new information age, 11-20
about
1995/96 candidates for SLA office, 47-48
Pino, Connie
Legal Division, 233-234
Powell, Toni
International Information Exchange Caucus, 231-232
Power (social sciences)
Special libraries: the origins of power and the susceptibilities to powerlessness (A.J. Head, W. Fisher), 125-133
Preservation
Review of *Preserving library materials*, 244
Preserving library materials
see Swartzburg, Susan G.
Purdue University Physics Library
The magnitude of conference proceedings published in physics journals (R.S. Allen), 136-144

Q

Quality assurance
Measuring service quality in special libraries: lessons from service marketing (M.D. White, E.G. Abels), 36-45
Quebec City
An invitation to Montréal (C. Kelly), 147

R

Ratliff, Priscilla
Three years experience with fee-based services in a corporate library (P. Ratliff, T.J. Weeks), 21-27
Reference services
Review of *Librarians on the Internet*, 150-151
Repsher, Gail L.
SLA in Montréal: the annual conference, 205-240
Research
Research for special libraries: a quantitative analysis of the literature (A. Dimitroff), 256-264
Riedinger, Edward A.
Resources for special library collection development in educational advising, 272-278
Robert Wood Johnson Medical School
Impact of curriculum revision on media collection (Z.C. Etter), 83-89

S

Salaries
1995 salary survey update (L. Sayer), 292-296

San Diego County
Sovereignty, collaboration and continuing challenge: a history of tribal libraries in San Diego County (B. Biggs, D. Whitehorse), 279-291
Sayer, Liana
1995 salary survey update, 292-296
Schumacher, Pat
Food, Agriculture & Nutrition Division, 229-230
Serials control systems for libraries
see Davis, Trish
SERVPERF (measuring instrument)
Measuring service quality in special libraries: lessons from service marketing (M.D. White, E.G. Abels), 36-45
SERVQUAL (measuring instrument)
Measuring service quality in special libraries: lessons from service marketing (M.D. White, E.G. Abels), 36-45
Shaw, Joyce M.
Architectural and design firm libraries: a survey, 152-163
Silicon snake oil
see Stoll, Clifford
Special librarians
Interpreters as well as gatherers: the librarian of tomorrow...today (P.J. Hunt), 195-204
Special libraries: the origins of power and the susceptibilities to powerlessness (A.J. Head, W. Fisher), 125-133
Special libraries
Research for special libraries: a quantitative analysis of the literature (A. Dimitroff), 256-264
Resources for special library collection development in educational advising (E.A. Riedinger), 272-278
Valuation
The value of the special library: review and analysis (A.M. Keyes), 172-187
Special Libraries Association Annual conferences
1995 (Montréal)
An invitation to Montréal (C. Kelly), 145-147
The power of information, 73-76
SLA in Montréal: the annual conference (G.L. Repsher), 205-240
1996 (Boston)
Boston beckons: the Special Libraries Association 87th Annual Conference (K.M. Liss), 301-303
Call for 1996 conference papers: information revolution: pathway to the 21st century, 148, 245
Audit reports
Audit report: January 1, 1994-December 31, 1994, 246-255
Awards
Awards banquet, 222-224
Awards presentation, 221-222
Candidates for office
1995/96 candidates for SLA office, 46-57
Salary surveys
1995 salary survey update (L. Sayer), 292-296
Special Libraries Association. Central Ohio Chapter
Association insights: planning a regional conference (E. Mimnaugh), 66-72
Staff management in library and information work
see Jordan, Peter
Standard Generalized Markup Language
SGML documents: a better system for communicating knowledge (D. Stern), 117-123
Statistical studies
Research for special libraries: a quantitative analysis of the literature (A. Dimitroff), 256-264
Stern, David
Physics-Astronomy-Mathematics Division, 238
SGML documents: a better system for communicating knowledge, 117-123
Still, Julie
The Internet library (reviewed by B. Keiser), 79-80
Stoll, Clifford
Silicon snake oil (reviewed by L. Warmath), 242
Stutz, Kara
Enhancing library services: an exploration in meeting customer needs through Total Quality Management (L. Cundari, K. Stutz), 188-194
Swartzburg, Susan G.
Preserving library materials (reviewed by D.C. Bell-Russel), 244
Synagogue libraries
Synagogue libraries: making it on their own (L.B. Cohen), 91-109

T

Tinsley, G. Lynn
about
1995/96 candidates for SLA office, 49-50
Tolson, Stephanie D.
about
1995/96 candidates for SLA office, 50-51
Total Quality Management
Enhancing library services: an exploration in meeting customer needs through Total Quality Management (L. Cundari, K. Stutz), 188-194

U

User needs
Toward better information service: diagnosing information needs (R. Grover, J. Carabell), 1-10

V

Valauskas, Edward J.
The Internet troubleshooter (reviewed by W. Clark), 151
Varma, Divakara
Labor Issues Caucus, 232-233
Vass, Mary
Education Division, 227-228
Videodiscs
Impact of curriculum revision on media collection (Z.C. Etter), 83-89

W

Warmath, Lyn
Review of *Silicon snake oil*, 242
Warner, Alice Sizer
Review of *Analyzing benefits and costs*, 299-300
Weeks, Thomas J.
Three years experience with fee-based services in a corporate library (P. Ratliff, T.J. Weeks), 21-27
White, Marilyn Domas
Measuring service quality in special libraries: lessons from service marketing (M.D. White, E.G. Abels), 36-45
Whitehorse, David
Sovereignty, collaboration and continuing challenge: a history of tribal libraries in San Diego County (B. Biggs, D. Whitehorse), 279-291
Williams, Clara
Diverse Issues Caucus, 227
Williams, Jan
Review of *CompuService companion*, 77-78

Y

Yocum, Patricia B.
Biological Sciences Division, 225
Yourison, Karola
Science-Technology Division, 238-239

Z

Zorn, Margaret J.
Graphical user interfaces and library systems: end-user reactions (M.J. Zorn, L. Marshall), 28-35
